Situation

Possible answers:

You: - Hello, here's the babysitter, I have to tell you, your son has just had an accident in the playground.

Parent: - Really, oh my god! What happened, is he okay?

You: - Unfortunately he fell down, he's fine but he has some injuries on his head. I stopped bleeding, cleaned his cuts and put some plasters on them but in my opinion we should take him to hospital because of his headache.

Parent: - The hospital is next to the playground. Let's meet in front of it in 5 minutes.

You: - All right! We'll be there in 5 minutes!
