### *Food and restaurants*

Are you looking for somewhere special to go this weekend? Do you want to try something new? Check out one of these hot new restaurants.

#### *Last Days of the Raj*

A centrally located Indian restaurant, perfect for eating before or after the cinema or a show. In summer enjoy your meal in the beautiful garden. The most popular dishes are lamb and chicken cooked with mild, medium or hot spices. For brave customers there is extra hot!

#### *Your Local Caff*

Remember when cafés served full English breakfasts – sausages, beans, fried bread, bacon and eggs – with a strong cup of tea? Well, this place still does and you can have your breakfast at any time you like during the day while you listen to your favourite tunes from the 1980s.

#### *The Lemon Tree*

This pretty restaurant serves healthy food that's tasty too. Come in for a vegetarian snack at lunchtime or a great fruit smoothie or a cappuccino and a delicious piece of cake in the afternoon. Food is bought from local producers whenever possible.

#### *A Taste of Tuscany*

Whether you'd like a great value-for-money lunch or a relaxed evening meal in stylish surroundings, this is the place for you. The chefs have all been trained in Italy and they make both traditional and contemporary dishes. We recommend the pasta and seafood.

#### *Fast Best*

Fast food doesn't have to be junk food, as this café proves. Do you fancy a really good hamburger made with the best ingredients, or old-fashioned fish and chips fried to perfection, all on the table in super-quick time? Speed and quality are important here, and the prices aren't bad either.

### ***The Chocolate Box***

The owner of this small café used to cook all kinds of food, but then she realised she preferred desserts to anything else. If you want meat or fish, don't come here. They only do desserts! Lots of different kinds of sweets. Chocolate lovers will be excited by the range of chocolate cakes.
